ABOUT ME

Dedicated and enthusiastic computer science student currently pursuing a BS in Computer Science. Skilled in programming, problem-solving, and critical thinking, with a keen interest in software development, data science, and cybersecurity. Gained hands-on experience through academic projects and internships, developing strong technical and teamwork skills. Passionate about leveraging technology to solve real-world problems and committed to continuous learning in the dynamic field of computing.

EDUCATION

FSc Pre-Medical (2019-2021)

Punjab Group of Colleges Taunsa campus, Taunsa Shareef

BS Computer Science (2023-2027)

Bahauddin Zakariya University, Multan

EXPERIENCE

Freelance Web & App Developer

Self-Learning Projects - (2023 to 2025)

- Built websites using HTML, CSS, JavaScript
- Created basic mobile apps with React Native
- Worked with APIs and frontend in React
- Used Git & GitHub for version control
- Learned through hands-on projects and online resources

CAREER GOAL

To become a skilled full-stack mobile developer and contribute to real-world projects that make a difference, while continuously learning and growing in the tech industry.
